FINANCIAL OPTIONS

Residential Accommodations

To apply for residency at The Knolls of Oxford, you must complete the Admission Record (one for each person) and the Financial Statement. The completed forms plus a \$500 processing fee should be delivered to the Marketing Department. Our Director of Marketing will help coordinate the remainder of the application process. This application fee is non-refundable.

The Knolls of Oxford has created a unique program that provides older adults a rewarding lifestyle, while at the same time, assuring they will receive quality care and services whenever they may need it. We offer a financial option and monthly fees to complement the neighborhood you select in our continuing care retirement community.

The terms and benefits of the various continuing care residency agreements are the same with the exception of the fees charged and the refund policies.

Traditional Declining Refund

With the Traditional Declining Refund plan, the potential refund is based on 90% of the entrance fee and declines each month of residency until it is fully exhausted at the end of 48 months.
